Product Information

PRO BIG RED & SANITISER

DESCRIPTION

Pro Big Red is a safe, all-purpose non-caustic detergent & sanitiser suitable for cleaning, sanitising, and degreasing all food preparation surfaces and equipment.

Pro Big Red is a heavy-duty industrial foaming detergent formulated for the removal of fat, grease, soil, dirt, animal and vegetable oils, carbon and most industrial soils. Pro Big Red is a clear red liquid and contains non-ionic and anionic surfactants as well as special degreasing additives and quat based sanitiser to give you extra protection from germs.

APPLICATIONS Pro Big Red can be used in a multiple of applications:

- 1. Hard surfaces** – Pro Big Red can be used for upholstery and hard surfaces.
- 2. Kitchens** - Dissolves all cooking oils and baked-on grime and is harmless to all surfaces and is free-rinsing. For degreasing around stoves and hot plates.
- 3. Floors** - For mopping of kitchen floors as well as maintenance of all floors where grime and dirt are a problem.
- 4. Bathrooms** - For the removal of body fats and build-up from bathroom areas.
- 5. Pressure cleaners** - For use in Gerni Jet and all types of pressure washers. Pro Big Red removes a variety of soils at low dilutions and provides good foam for cleaning vertical surfaces.
- 6. Vehicles** - including motor cycles, tractors and trucks for under bonnet as well as exterior and interior surfaces.
- 7. Boats** - An excellent deck cleaner and engine room degreaser.

DIRECTIONS:

BIG RED can be applied by brush/mop to floors or spray and cloth to bench tops and equipment.

SPRAY AND WIPE CLEANING: Depending on Soiling
1 part BIG RED to 80 parts water (10mls in a 750ml spray bottle)

West Australian Family Business

1 part BIG RED to 40 parts water (20mls in a 750ml spray bottle)

Always best practice to rinse off all food contact surfaces with potable water after use.

FEATURES
