Product Information

PRO DISH CLEAN LIQUID

DESCRIPTION

Pro Dish Clean is a highly concentrated based neutral liquid detergent formulated for hand dishwashing applications and in a wide variety of manual cleaning operations.

APPLICATION

Pro Dish has a wide variety of uses including hand dishwashing operations in all institutional areas such as hospitals, food service, clubs and restaurants, hard surface cleaning such as floors, cars and benchtops. The highly active detergents used in Pro Dish ensure that the toughest soils and grease are removed quickly and effectively to leave all surfaces sparkling clean. The naturally derived ingredients are also gentle on the skin.

FEATURES

- Highly Concentrated
- Neutral pH safe to use on all surfaces.
- Anti-Bacterial Formulation
- Contains a fresh fragrance
- Gives optimum performance in either soft or hard water.

BENEFITS

- Ensures economy in use.
- Free Rinsing
- Eliminates lingering cooking odours.
- Rapidly emulsifies food soils and grime.

DIRECTIONS FOR US

Hand dishwashing liquid:

Use at the rate of 3 mls per litre of hot water (1 tablespoon to an average sink).

General-purpose cleaner:

As a for washing cars, paintwork and floors the use rate will vary from 3-10 mls. per litre dependent upon the type and the amount of soil to be removed.

SUITABLE FOR USE in kitchens and food preparation areas.
