Product Information

PRO END MOULD MOULD KILLER

DESCRIPTION

Pro End Mould is a blend of sodium hypochlorite and detergent additives formulated to destroy ingrained mould and mildew in bathroom areas. Pro End Mould is suitable for use on bathroom tiles, grouting, plastic shower screens, rubber bath mats and refrigerator door seals.

APPLICATION

Can be applied through spray foamier to produce a thick foam.

FEATURES AND BENEFITS

- Kills 99.9% of most bacteria

DIRECTIONS FOR USE

Spray affected areas. Allow to work for a few minutes then rise or wipe clean. Stubborn stains may require longer exposure time or another application. **DO NOT** use on unpainted metal or damaged paint surfaces, textiles or old bath/skins where the enamel may have deteriorated. Staining may occur on non-glazed tiles and coloured grouting so test for colour fastness in an unobtrusive area beforehand. Store container in a cool place out of direct sunlight. **DO NOT** mix with detergents or any other chemicals.

Use Rates:

Heavy Stubborn Stains: 1: 10 1-part product to 10 parts water

General Weekly Cleaning: 1:50 1-part product to 50 parts water
