Product Information

PRO PHOS CLEAN 40

DESCRIPTION

Pro Phos Clean 40 is a concentrated phosphoric acid-based cleaner used for the removal of hard water, calcium, lime, concrete and mill scales. Ideal for rust removal and phosphating steel surfaces prior to painting. Also recommended for spray and wipe operations in ablution areas for the removal of calcium, hard water, scale, soap scum, build up on urinals, sinks, shower stalls and bathroom fittings.

FEATURES AND BENEFITS

- Removal of scale, rust and scuff marks
- Removes hard water, calcium and lime build up
- Can be used as a Light marine boat cleaner

DIRECTIONS FOR USE

For the removal of scale, rust and iron stains dilute with up to 6 parts water, apply to surface, allow to soak and thoroughly rinse off.

For urn, jug and kettle cleaning dilute with up to 6 parts water and bring appliance to boil, empty out and thoroughly rinse out with water.

For C.I.P cleaning dilute with 10 parts water, circulate for 15-20 minutes at processing temperature and rinse with potable water after use.
