Product Information

PRO WASH POWDER

Concentrated Laundry Detergent

DESCRIPTION

Pro Wash is a free-flowing powder combining a blend of powerful cleaning agents, detergents with specialty optical brighteners. Pro wash ensures maximum cleaning performance on all soils leaving fabrics clean and bright with a fresh residual fragrance.

APPLICATION

Pro Wash can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. Pro Wash is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

FEATURES

- Concentrated powder 100% active
- Controlled foam characteristics
- Optimised levels of optical brighteners
- Grey water safe
- Contains enzymes
- Excellent cleaning results in hot or cold water.
- Contains a specialty substantive perfume.
- Contains water softeners
- Contains soil release polymers
- Contains Anti-Bacterial Agent

BENEFITS

- Provides a quality low cost wash
- Suitable for top and front-loading machines.
- Ensures maximum whiteness and brightness is attained.
- Quickly removes blood and protein stains
- Provides flexibility of wash temperature and energy savings.
- Leaves a fresh residual fragrance on the fabric
- Suitable for all hard water conditions
- More efficient washing of clothes

DIRECTIONS FOR USE

Top loading machines: Use 1 scoop (1/3 cup) for a normal wash load. Use 1½ scoops for heavy soil or extra-large wash loads.

Front loading machines: Use ½ scoop for normal wash loads.
Use 1 scoop for heavy soil or extra-large wash loads.

Hand washing and soaking: ½ scoop to a bucket (5 litre).
